# Our aim: one union for all teachers

A message to members from NUT  
General Secretary, Christine Blower

The NUT is proud to be the biggest and most effective teachers' organisation in Europe.  
We stand for:

- a qualified teacher in every classroom
- a good local school for every child and for every community
- equality of access to high quality education and to all public services
- the status of qualified teachers to be recognised and valued both in salaries and conditions
- the removal of excessive workload and a better work-life balance
- and, of course, an end to SATs and league tables.

Use this form now to upgrade to full membership of the NUT even before you qualify.

Assuming your first teaching post is from September 2010 your first payment will not be due until February 2011 when you will pay just £1.

First Post 2010 the NUT's guide to obtaining your first teaching post contains lots of helpful information about finding a teaching post. I hope you find it useful.

With best wishes

Yours sincerely
